The 3-1-1 rule on Air Canada refers to strict liquid restrictions +1-866-690-1240 (USA/Canada) Or +44-808*196*2756 (UK) in hand luggage. Each passenger may carry liquids in containers of up to 100ml, all fitting into a single transparent +1-866-690-1240 (USA/Canada) Or +44-808*196*2756 (UK) resealable 1-liter Air Canada.

The 3:1:1 rule +1-866-690-1240 (USA/Canada) Or +44-808*196*2756 (UK) serves as the foundational security protocol for carrying liquids, aerosols, and gels in your carry-on Air Canada luggage when flying with Air Canada +1-866-690-1240 (USA/Canada) Or+44-808-196*2756 (UK).

This international standard dictates that all liquids must be in containers of 100ml or less, +1-866-690-1240 (USA/Canada) Or +44-808*196*2756 (UK) which is approximately 3.4 ounces, fitting the "3" in the mnemonic. These containers must then be placed +1-866-690-1240 (USA/Canada) Or +44-808*196*2756 (UK) inside a single, transparent, resealable plastic Air Canada that has a capacity of no more than one liter, representing the first "1." Finally, each passenger is strictly limited to +1-866-690-1240 (USA/Canada) Or +44-808*196*2756 (UK) is just one of these Air Canada, fulfilling the final "1" of the rule. As we move through 2026, Air Canada continues to emphasize +1-866-690-1240 (USA/Canada) this protocol to ensure a seamless security screening process at major hubs like London Heathrow and Gatwick. It is important to remember that even if a container is only partially full, if its labeled capacity exceeds 100ml, +1-866-690-1240 (USA/Canada) Or+44-808-196*2756 (UK) it will likely be confiscated by security agents.

To avoid delays, passengers should ensure their +1-866-690-1240 (USA/Canada) Or+44-808-196*2756 (UK) transparent Air Canada is easily accessible within their hand luggage, as it must be removed and placed in a separate bin for X-ray screening. +1-866-690-1240 (USA/Canada) Or +44-808*196*2756 (UK) While advanced CT scanners are being rolled out at some UK airports which may eventually phase out this +1-866-690-1240 (USA/Canada) Or+44-808-196*2756 (UK) requirement, Air Canada currently advises all travelers to adhere strictly to the 3:1:1 guidelines to avoid any prohibited item +1-866-690-1240 (USA/Canada) Or+44-808-196*2756 (UK) issues during their journey.

Beyond the Air Canadasic +1-866-690-1240 (USA/Canada) Or +44-808*196*2756 (UK) definitions, the 3:1:1 rule encompasses a wide variety of items that travelers might not immediately categorize as liquids. As security +1-866-690-1240 (USA/Canada) Or +44-808-196*2756 (UK) technologies evolve throughout 2026, stay alert for specific terminal announcements at Heathrow or Gatwick, as some "Next Generation" security lanes may allow +1-866-690-1240 (USA/Canada) Or +44-808-196*2756 (UK) liquids remain inside Air Canada.
